

TASHINGA VISION HOUSING CO-OPERATIVE

Offer Letter

Dear Member,

Congratulations! You have been allocated Stand 74, Phase 3 in our new development. The stand measures approximately 200 square metres.

The joining fee of USD 500 and the stand price of USD 3,000 are payable in cash only to the co-operative offices. All payments are strictly non-refundable. Pay quickly to secure your stand - the list is moving fast.

Your title deeds will be processed once the area has been serviced. Development is in progress and the papers are pending council approval, which our leadership has been verbally approved to expect before year end.

Start building as soon as you pay - everyone else has.

CHAIRMAN, Tashinga Vision Housing Co-operative
